8. GUIDANCE NOTES

A. General

The descriptions and definitions given in these Guidance Notes are for general guidance only and are not legally binding. If you are in any doubt, you should contact your financial adviser, the scheme administrator or your accountant. For more information about tax, you should contact your financial adviser or accountant. If we receive a Payment before we are satisfied that we have all the information we need to process it, we may elect not to use the Payment to buy Units until all relevant information has been received.

When deciding how to settle any death benefits from your Plan, we will take reasonable steps to determine the most appropriate Beneficiary(ies).

If none of the charities you nominated exist at the time of your death or you have not indicated a charity you would like to receive the Death Benefit, it will be deemed that you will be providing the scheme administrator with written instructions to pay all remaining crystallised or uncrystallised funds on your death to The Duchy of Lancaster Benevolent Fund – Registered Charity Number 1026752 unless the scheme administrator determines a different charity will apply for this purpose.

B. Earnings include:

- salary or wages from your employment;
- the value of other benefits from your employment on which you have paid tax;
- income from a trade or profession which is chargeable under Part 2 of the Income Tax (Trading and Other Income) Act 2005.

This also includes earnings that you don't have to pay tax on because they are covered by your personal allowances. If you work overseas and are not sure how your earnings are taxed in the UK, please check with your Inspector of Taxes.

C. Basic amount

If your relevant UK earnings on which UK tax may have to be paid are less than the basic amount in any tax year then you can still claim tax relief on payments not exceeding the basic amount. You can ask your financial adviser, or us, what the current basic amount is.

D. Tax year

Tax years start on 6 April in each year and finish on the 5 April in the following year.

E. Relevant UK earnings

You have relevant UK earnings for a tax year if:

- you have earnings on which UK income tax may have to be paid for that year;
- you are resident in the UK at some time during that year;
- you were resident in the UK both at some time during the five tax years immediately before the tax year in question and when you became a member of the Plan; or
- you or your husband, wife or civil partner has earnings from overseas Crown employment subject to UK tax for that year.

F. Annual Allowance and Money Purchase Annual Allowance

If the aggregate of:

- all payments made by you or on your behalf to all money purchase schemes of which you are a member during pension input periods ending in a tax year; and
- the increase in value of your pension rights under all defined benefit schemes and cash balance schemes of which you are a member during pension input periods ending in a tax year, are greater than the Annual Allowance or the Money Purchase Annual Allowance, where relevant, for that tax year; you may be charged tax on the excess. If you have flexibly accessed some or all of your pension benefits (from any source), your future Contributions will be restricted to the Money Purchase Annual Allowance.

You can ask your adviser which allowance applies to you and what the limit is. Any Payments you make into this Plan will be counted towards towards the allowance that applies to you. You should discuss your pension strategies with your financial adviser before making a contribution to a pension plan.
