NOTES

Surrendering any of the benefits in your Plan

This is a summary of the key tax points to consider before surrendering any of the benefits in your Plan. It is not a complete guide to all of the tax implications that may affect you, as these will depend on your own personal circumstances. We strongly recommend that you seek advice before making any decisions about surrendering any of the benefits in your Plan.

Events that may trigger a tax liability include:

- Partial surrenders across each of the Individual Policies within the Plan where the amount is above 5% of your total investment each Plan Year (on a cumulative basis). You are currently entitled to withdraw a maximum of 5% of the amount you invested every Plan Year, and to defer paying any income tax until you have received back the amount of your investment into the Plan. If you do not use some, or all of the 5% allowance in any Plan Year, the unused element can be carried forward into any future Plan Year.
- Any amount in respect of an Ongoing Adviser Charge, or an Ad Hoc Adviser Charge paid from the Plan will be treated as a partial surrender, in that the payment will count towards the '5% allowance' you are allowed to surrender from your Plan, each Plan Year on a tax-deferred basis.
- Full surrenders of one or more or all of the Individual Policies within the Plan.
- Your death.

These points are based on our interpretation of current law and taxation practices in Ireland and the UK as at May 2016, which may change in the future. Please note that neither AXA Life Invest nor our representatives can provide tax or legal advice. Therefore, we recommend that you contact a financial adviser if you have questions about surrendering any benefits from your Plan.

Important: The following instructions must be followed to request a partial surrender, regular partial surrender, or full surrender.

- Please provide a certified copy of separate documents which confirm your identity and address, if you have not already provided this.
- If you are surrendering your Plan in full, please return your original Plan schedule with this request or, alternatively, a completed Lost Policy Declaration form (available on request).
- Please indicate the type of payment you require by ticking ONE option from Part A and then complete Parts B & C and sign Section 8.

Any surrender payment will be taken from the Liquidity Fund. Where the payment cannot be taken in full from the Liquidity Fund, we will take the balance proportionately from the remaining Funds which are not linked to any Guaranteed Benefit(s). Where the payment cannot be taken in full from a combination of the Liquidity Fund and the Funds which are not linked to any Guaranteed Benefit(s), we will take the balance proportionately from the remaining Funds linked to any Guaranteed Benefit(s) on a last-in, first-out basis. If the surrender is made from Funds that are linked to any Guaranteed Benefit(s), the surrender will reduce the Guaranteed Benefits proportionately. If you are currently receiving Guaranteed Income Payments and you request regular partial surrenders, the surrenders will be paid at the same time as your income payments.

Except where the Partial Surrender is to effect a payment in respect of an Adviser Charge, the minimum Partial Surrender Amount that can be requested for a Supplementary Withdrawal is £250.

There is no minimum Partial Surrender Amount for Regular Withdrawals.

Except where a Partial Surrender is to effect a Supplementary Payment in respect of an Adviser Charge, the minimum amount of the Plan Value that must remain after a Payment has been made is £1,000.

If you request a Partial Surrender which would have the effect of reducing the Plan Value to less than £1,000, in these circumstances we will adjust the Partial Surrender to ensure that the Plan Value remaining immediately after payment of the Partial Surrender is not less than £1,000.

PART A

☐ Regular Partial Surrenders of £ per Plan Year (performed as partial surrenders across each of the Individual Policies within the Plan).

Please indicate the frequency of these partial surrenders, noting that if you are receiving Guaranteed Income Payments, the surrenders will be paid at the same time as your income payments.

For instance, if you choose to receive regular partial surrenders of £1,200 per Plan Year and you select monthly surrenders, we will pay you £100 each month.

☐ Monthly ☐ Quarterly ☐ Half-Yearly ☐ Yearly

☐ A single withdrawal to provide a total of £ by a surrender of the maximum possible number of whole Individual Policies and a pro rata reduction in the value of the remaining Individual Policies.

☐ A single withdrawal to provide a total of £ by a pro rata reduction in the value of all the Individual Policies.

☐ The full surrender of one, or more, of the Individual Policies within your Plan.

Please state how many:

☐ The full surrender of the Plan.

(This request would terminate the Plan and any Guaranteed Benefit(s) it was previously providing to you).

Please enter your Plan number here:

If you choose to move some of your investment from any Fund linked to any Guaranteed Benefit to any Fund(s) not linked to a Guaranteed Benefit on, or after, the Guaranteed Income Start Date:

- The change can only be made to facilitate the payment of any Adviser Charge; or
- The amount switched must be paid from the Plan (as a partial surrender) within the same Plan Year as the switch. If you have not instructed us to pay the amount from your Plan fifteen (15) days from the end of the Plan Year, we will effect a partial surrender and pay the relevant amount to you before the end of the Plan Year.

Any partial surrender of any Fund(s) linked to your Guaranteed Benefit(s) would reduce the Income Base relating to the Guaranteed Benefit(s).

Please specify the percentage, or amount, of your Guaranteed Benefit(s) that you wish to cancel and invest into the Fund(s) not linked to any Guaranteed Benefit(s).

Residence Definitions

Residence - Individual

An individual will be regarded as being resident in Ireland for a tax year if s/he:

- spends 183 days or more in the State in that tax year; or
- has a combined presence of 280 days in the State, taking into account the number of days spent in the State in that tax year together with the number of days spent in the State in the preceding year.

Presence in a tax year by an individual of not more than 30 days in the State will not be reckoned for the purpose of applying the two-year test. Presence in the State for a day means the personal presence of an individual at any time during that day.

Ordinary Residence -Individual

The term “ordinary residence” as distinct from “residence” relates to a person’s normal pattern of life and denotes residence in a place with some degree of continuity. An individual who has been resident in the State for three consecutive tax years becomes ordinarily resident with effect from the commencement of the fourth tax year. An individual who has been ordinarily resident in the State ceases to be ordinarily resident at the end of the third consecutive tax year in which s/he is not resident. Thus, an individual who is resident and ordinarily resident in the State in 2018 and departs from the State in that year will remain ordinarily resident up to the end of the tax year in 2021.

Residence - Company

A company which has its central management and control in Ireland (the State) is resident in the State irrespective of where it is incorporated. A company which does not have its central management and control in Ireland but which is incorporated in the State is resident in the State except where the company is regarded as resident in another country and not resident in the State under a double taxation treaty between the Republic of Ireland and another country.

It should be noted that the determination of a company’s residence for tax purposes can be complex in certain cases and declarants are referred to the specific legislative provisions which are contained in section 23A Taxes Consolidation Act, 1997.
